SPECIAL NOTICE

L.V.R.C. CYCLO CROSS EVENTS FOR 2012

After the success of the 3 events organized by Region 7 last year we will promote another National Championship this year on Saturday (date to be advised) in November. It is hoped that other organizers will offer to promote additional events this winter to back up the National event. Please see the Veteran Leaguer and the Website for final details of the National and any other events that are being organized. It is suggested that Saturdays are the best days for these events as they are less likely to clash with existing BCCA promotions. The BCCA list will be available around end April and Mick Ives will be pleased to offer any advice and help that may be required. Mick can be reached on 02476 304009.
